

Welcome to Experiencing the Nations,

We are so excited to have your little one in this class learning about the arts around the world. Please remember due to holiday season/ recital season- this class will not be held during the month of December or May, this will be reflected accordingly on your tuition.

Here is just a quick run down on the class and some things to remember-

Example of class layout:

10 mins. Progressive Learning- Progressions in map skills, working on continent songs, learning about the oceans etc.

10 mins. Learning dance from country of the week

10 mins. Learning song/instrument and type of music from featured country

5 mins. Circle time

20 mins. Replicating art from around the world

5 mins. Featured food and closing

Things to remember:

You will receive an update sheet via email every Friday. On these sheets you will be able to see what they will be learning about, fun extra curricular activities to do at home, the food they will be trying in class etc.

Please note the upcoming food tastings are always listed a week ahead. Please let the instructor know in advance if there is any food allergies/food sensitivities.

Any art projects done in class will always be sent home the following week of when they were completed.

Below you will find a list of the months/units with the nations they will be learning about each week.

We look forward to a great year in ETN "traveling around the world."

As always let us know if you have any questions or concerns.

Thank you,

Studio Staff
